LOYOLA SOCCER WARRIORS COMMENCE TRAINING CAMP

Loyola's Soccer Warriors, winners of the Ottawa-St. Lawrence League Soccer championship the last three out of four years have commenced practice in preparation for their first game against Bishop's on October 3.

Veteran Coach Bill Betts expressed his confidence heading into the new campaign. "H.M.C. of course will be the team to beat and you can't count out Sir George; they're always strong. But if these two lads come through, we'll be in the thick of it again".

The two boys are forwards Nick Del Zoppo and Carlo Arena and the reactivation of both will strongly strengthen the team.

Practice continues daily at 5:00 p.m. in preparation for their league opener. Coach Betts is still welcoming candidates. Any freshmen or returning students at the college who want to play are urged to report to the practice field adjacent to Loyola's Athletic Complex.
